

Welcome to summer Risk Management Guidance

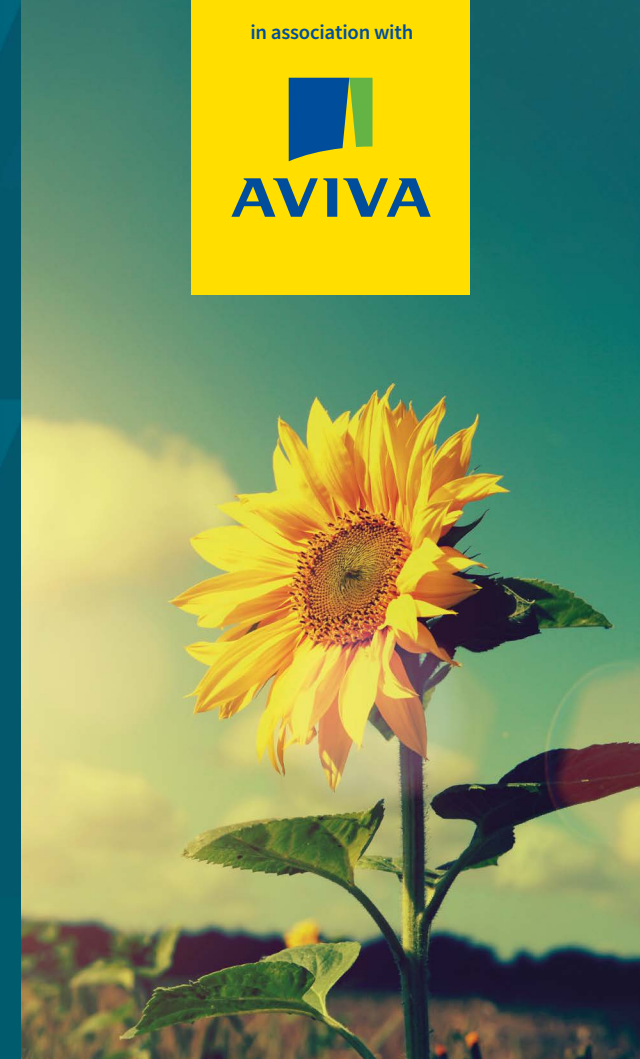

Brought to you by Darwin Clayton, together with Aviva.

Whilst we hope summer will be all about enjoying balmy evenings and long sunny days, it can also bring with it the risk of summer fires, sun exposure for outdoor workers and the dangers associated with summer driving.

To help protect your business and people this season, we're bringing you access to all the useful seasonal guidance provided by Aviva.

**If you'd like more useful Risk Management guidance, we'd be happy to help.
