

Welcome to spring Risk Management Guidance

Brought to you by Darwin Clayton, together with Aviva.

Whilst spring can bring us some improved weather conditions, it can still present challenges such as heavy rainfall and an increased risk of flooding.

To see how you can take precautions to help protect your business, we're bringing you access to all the **useful seasonal guidance** from Aviva.

If you'd like more useful Risk Management guidance, we'd be happy to help. Please give us a call on 01892 511 144 or email us at info@dcuk.co.uk

Please note:

This document contains general information and guidance only and may be superseded and/or subject to amendment without further notice. Aviva has no liability to any third parties arising out of ARMS's communications whatsoever and nor shall any third party rely on them. Other than liability which cannot be excluded by law, Aviva shall not be liable to any person for any indirect, special, consequential or other losses or damages of whatsoever kind arising out of access to, or use of, or reliance on anything contained in ARMS's communications. The document may not cover every risk, exposure or hazard that may arise and Aviva recommends that you obtain specific advice relevant to the circumstances.
